

Anti-Vandal Cage

For use with 2100, 160RC and 140 Series Alarms

Model Ei116

- For use with 2100, 160RC and 140 Series Smoke and Heat alarms along with Ei168RC RadioLINK bases (if required)
- Reduces possible damage to the alarm from vandalism

Product Description

The Ei116 is an Anti-Vandal cage designed for use with 2100, 160RC and 140 Series Smoke and Heat alarms, and Ei168RC RadioLINK Bases

It helps reduce the risk of damage to the alarms by forming a strong structure around the alarm to prevent it from being hit etc

Operation

- Screws directly over the alarm using the 3 fixing points (screws and plugs not supplied)
