Air Volume 133m3/h Filter Filter Included Noise Level 75dB (at 1m)	Drying Time	15 seconds
Filter Filter Included Noise Level 75dB (at 1m)	Air Speed	65 m/s
Noise Level 75dB (at 1m)	Air Volume	133m3/h
CC CD	Filter	Filter Included
Approvals C€ CB	Noise Level	75dB (at 1m)
	Approvals	CE CB

Safety Features

Motor Thermal Protection	Turns unit off
	at 135°C
Heater Thermal Protection	Turns unit off
	at 142°C
Time Protection	45s Auto Shut Off
Cover Screws	Vandal Resistant
Protection	IPX1

Size and Weight

Width	295mm
Height	320mm
Depth	170mm
Weight	4.5kg

Ideal for service stations, convenience stores and medium usage wash rooms.

Energy Efficient Low Running Costs Only 1475 Watts

High Performance

Powerful Airflow Dries Hands in 15 Seconds

Quiet Operation
Only 75dB (at 1m)

Cost Savings

No Paper Mess or Waste, Significant Savings over Paper, Linen or Standard Hand Dryers

Case Study East Ham Customer Service Centre and Library: ATC Cheetah High Speed Hand Dryers

Client:

East Ham Customer Service Centre & Library

Client Requirements

The East Ham Customer Service Centre and Library provides a wide range of amenities for the local community, including meeting room hire, computer facilities and various clubs and activities.

During a recent refurbishment by Newham Council, a requirement for Hand Dryers was identified. They wished to upgrade all washrooms from traditional hand dryers to a modern and energy efficient alternative.

Product Criteria:

- High performance automatic Hand Dryers for a medium usage location
- An energy eflicient alternative to existing Hand Dryers and Paper Towels
- Low Running Costs with minimal maintenance required
- Low Noise level to minimise disruptions in the Library

Product Evaluated and Chosen:

The ATC Cheetah High Speed Hand Dryers were evaluated and chosen based on their capability and aesthetics.

These low wattage yet high speed Hand Dryers have provided signi⊡icant cost savings compared to Paper, Linen or Standard Hand Dryers.

One of our local Stockists supplied 24 Cheetah Hand Dryers for this Landmark Project.

Years: 2019
