

CRYSTAL

DOUBLE SOCKET WITH USBC

WITH A TOUCH OF GLASS™

DETAILS MATTER.

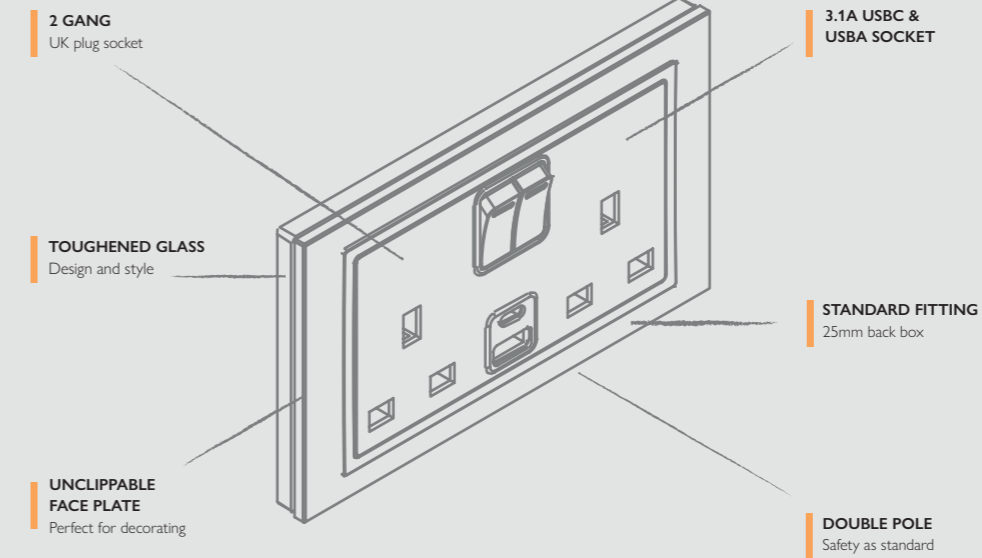

We're proud to present our new RetroTouch designer USBC sockets. Those with an eye for detail will appreciate the fact that we've carefully created a matching USBC socket for every light switch and wiring accessory in our range.

We offer options with chrome trim or plain glass and all of our USB sockets are screwless. If you are looking for a double socket with extra functionality, we have the perfect item for you.

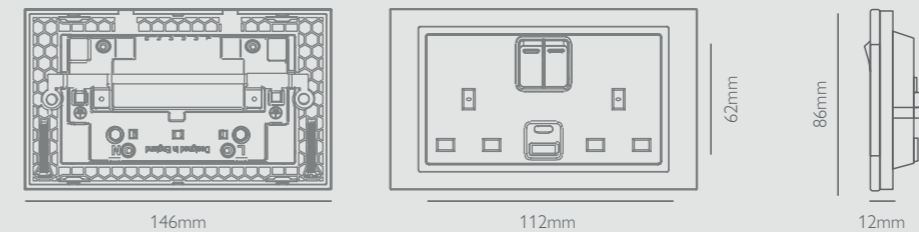

SPECIFICATIONS / FEATURES

The elegant selection of USBC sockets match the rest of our Crystal range and brings an ideal finish to any interior. Only available in double socket models.
