

Technical Specification

Product Code: CMA31102

Description: 2 Gang GridPro With Twin New Media Aperture Combination Plate

General Information

Dimensions	146mm (W) x 86mm (H) x 9.5mm (D)
Plate Design & Finish	Rounded Profile Polar White
Materials	Front Plate: Urea
Plate Fixing Centres	120.6mm
Back Box Depth	Dependent On Modules Fitted
Operational Temperature	-5°C to +40°C
Warranty	20 Years

Standards BS 5733: 2010

Additional Information

Ensure that the mains supply is isolated before commencing installation and refer to the circuit diagram with the relevant product.
 Bare earth cables must always be covered with appropriate sleeving and wired to the earth terminal. All white moulded accessories are manufactured using Urea Formaldehyde, which has similar inherent properties to antimicrobial additives that inhibit the growth of infectious diseases. All products have been independently tested and achieved a 99.9% kill rate across all four types of the strains of bacteria - MRSA, E-Coli, Salmonella, and Klebsiella Pneumoniae. Interchangeable with modules in the New Media Range.
